---

25                 The present matter comes before the Court upon the defendants' motion for  
26                  reconsideration of this Court's Order Denying Defendants' Motion for Summary Judgment  
27                  and Granting Plaintiffs' Motion for Summary Judgment (Dkt. No. 44). The Court has  
28                  reviewed Defendant's motion for reconsideration (Dkt. No. 51). Pursuant to Local Rules  
29                  W.D. Wash. CR 7(h)(1), motions for reconsideration are disfavored, and will ordinarily be  
30                  denied unless there is a showing of (a) manifest error in the prior ruling, or (b) facts or legal  
31                  authority which could not have been brought to the attention of the court earlier, through  
32                  reasonable diligence. Because defendants have not made either showing, the motion for  
33                  reconsideration (Dkt. No. 51) is DENIED.
